TRANSFER OF OWNERSHIP

To transfer ownership, the current owner (Seller) shall complete a transfer of ownership form and sign and date as Seller. The purchaser (Buyer) shall also sign and date the transfer form as Buyer and send it to the AHS along with a PHOTOCOPY of the original registration papers and appropriate transfer fees (ORIGINAL PAPERS SHOULD NOT BE SENT TO THE AHS OFFICE). Owners of ARS-registered horses shall send a photocopy of the front and back of the pink registration papers. In the case of German-papered geldings that have been issued a passport, a photocopy of the Certificate of Ownership will suffice, or alternatively photocopies of the front cover and pages 2-3 of the passport may be sent. For German-papered mares and stallions, copies of passport pages 2,3,4 & 5, plus pages 13 and 15 are required. The Owner(s) of Record will be amended in the AHS database and a sticker will be mailed to the new Owner(s) to affix onto the original registration papers. FORMS OF RECORDED OWNERSHIP

The American Hanoverian Society recognizes several forms of recorded ownership: Individual, Joint (two related individuals), Partnership (two or more unrelated individuals), and Corporate (farm or business). Consider the form of ownership that best applies to your situation at the time of recording, and make your application for ownership exactly as you wish it to appear on the horse's papers. Please keep in mind, when two individuals are listed as owners, if "and" is connecting the two names (e.g. John and Susie Smith), both parties are required to sign in order to release the horse to new owners. If "and/or" is used (e.g. John and/or Susie Smith), then only one signature is required.
