### RECORDING A GERMAN-PAPERED RHINELANDER

Imported horses issued registration papers by the German Rhineland Society (Rheinlander Verband) must be recorded into the American Rhineland Studbook (ARS)/American Hanoverian Society's database in order to compete for ARS/AHS year-end breed awards, be inspected to enter the breeding program, or have ARS/AHS registered offspring.

1. DO NOT SEND ORIGINAL GERMAN DOCUMENTS TO THE RHINELAND OFFICE. The applicant shall send PHOTOCOPIES of the following pages of the German passport: the front cover; pages 2 – 3; pages 4 – 5; page 13; and page 15.

2. A name must be declared for the horse according to the naming policy of the ARS/AHS at the time of recording. Mares already ENTERED INTO the German Studbook MAY NOT HAVE THEIR NAME CHANGED. When choosing a name, it must start with the first letter of the sire's name. The name may not exceed 20 characters, including spaces and punctuation, and must be unique. You are allowed to show your horse under a different name.

3. There is a \$60.00 one-time recording fee for current members of the AHS; however, this fee is waived in 2016 for all current AHS members. NON-MEMBERS PAY DOUBLE THE POSTED RATES. Fees are subject to change.

### FORMS OF RECORDED OWNERSHIP

The American Hanoverian Society recognizes several forms of recorded ownership: Individual, Joint (two related individuals), Partnership (two or more unrelated individuals), and Corporate (farm or business). Consider the form of ownership that best applies to your situation at the time of recording, and make your application for ownership exactly as you wish it to appear on the horse's papers. Please keep in mind, when two individuals are listed as owners, if "and" is connecting the two names (e.g. John and Susie Smith), both parties are required to sign in order to release the horse to new owners. If "and/or" is used (e.g. John and/or Susie Smith), then only one signature is required.
