FORMS OF RECORDED OWNERSHIP

The American Hanoverian Society recognizes several forms of recorded ownership: Individual, Joint (two related individuals), Partnership (two or more unrelated individuals), and Corporate (farm or business). Consider the form of ownership that best applies to your situation at the time of recording, and make your application for ownership exactly as you wish it to appear on the horse's papers. Please keep in mind, when two individuals are listed as owners, if "and" is connecting the two names (e.g. John and Susie Smith), both parties are required to sign in order to release the horse to new owners. If "and/or" is used (e.g. John and/or Susie Smith), then only one signature is required.

BYLAWS, RULES AND REGULATIONS

All persons doing business with the AHS are subject to the Bylaws, Breeding Rules and Regulations, and all procedural policies adopted by the society. These may change from time to time, so all persons are advised to check with the Society for current information. All fees are subject to change. Effective April 16, 2015.
